THE JEAN ZUROW LINCOLN POSTCARD COLLECTION

Historical Note

The Jean Zurow Lincoln Postcard Collection includes a variety of Lincoln-related postcards and other ephemera collected by Jean Szalkowski Zurow of Bastrop, Texas, over a period of sixty years. Ms. Zurow donated her collection to the Lincoln Financial Foundation Collection at Allen County Public Library in August 2013.

Scope and Content

The collection consists of 556 individual postcards, one souvenir folder of six attached postcards, seven miscellaneous card-sized items, five souvenir folders of photographs, and two souvenir pamphlets. The postcards date from the late nineteenth through the late twentieth centuries and include memorial postcards; Lincoln centennial postcards; and photographs and illustrations of Lincoln scenes, sites, and monuments from across the United States. The souvenir folders and pamphlets date from the 1920s through mid-century and contain photographs and information on Lincoln's life and Lincoln sites in Springfield, Illinois.

The attached spreadsheet provides a brief description of all postcards. The Zurow collection is housed at the Allen County Public Library, and the postcards may be viewed in Lincoln Library Documents, Lincoln Financial Foundation Collection, on the library website at <http://contentdm.acpl.lib.in.us/cdm/search/collection/p16089coll38>. Catalog records for the souvenir folders and pamphlets listed below can be found in the Allen County Public Library catalog at www.acpl.lib.in.us; the items may also be found and viewed on the Lincoln Financial Foundation (LFFC) website at www.LincolnCollection.org. The miscellaneous card-sized items listed below are available for viewing upon request.

All items are housed together in a single postcard box.
