# How to Listen to the Audio Reading Service

There are a number of ways to “tune in” to the Audio Reading Service broadcast. Call us at 260-421-1376 or visit [acpl.info/ars](http://acpl.info/ars) for more information and links.

- **HD Radio - 89.1 FM HD2:** Thanks to a partnership with WBOI, anyone with a Hybrid Digital Radio (HD Radio) within range of their signal can listen to our programs. You can request to borrow a free HD Radio pre-tuned to our station from the library, and we will mail it to you. You don't need a library card, and this is a lifetime loan so you can keep it as long as you like; just return it when you're finished using it. We do require that you register with us so we can keep track of these radios. Call us at 260-421-1376 or submit an online form at [acpl.info/ars](http://acpl.info/ars).
- **TV - PBS Fort Wayne 39.6:** Thanks to a partnership with PBS Fort Wayne, anyone within range of their broadcast signal can hear our programs 24/7.
- **Live streaming:** Listen live at our website: [acpl.info/ars](http://acpl.info/ars)
- **Alexa Device:** First, say “Alexa, enable Audio Reading Service” on your smart speaker. From then on, say “Alexa, open Audio Reading Service” to listen.
- **Podcasts:** Search for your favorite local programs on your podcast player/app. You can also ask your mobile device's voice assistant, “Hey Google/Siri, play the Journal Gazette podcast” or whatever program you're looking for, including Area News, Grocery Ads, Local Beat, The Weekend, Sports in Review, and more.
- **Audioblog:** Listen to recordings on-demand at [AudioReadingServicePodcast.com](http://AudioReadingServicePodcast.com)
- **Sero App** (formerly iBlink Radio): Search for “Sero” in your mobile app store.
- **TuneIn Radio App** or online: [tunein.com/radio/Audio-Reading-Service-s176017](http://tunein.com/radio/Audio-Reading-Service-s176017)
- **System-wide at participating area hospitals, healthcare facilities, and senior living communities.**
