

Maker Labs Programs

The Maker Lab offers a variety of in-person programs, which support the understanding of its technologies and machinery, at both the Georgetown and Main Library locations. Children under the age of 12 will require parental supervision.

Maker Lab Availability

The Maker Labs are available for patrons to visit and work on projects during regularly scheduled open hours. Machines are first-come, first-served. Come tinker, collaborate, create and get your next project off the ground. Dates and times are subject to change.

MAIN LIBRARY

Monday – Thursday
1 PM – 9 PM

Friday
1 PM – 6 PM

Saturday

Maker Lab Rules & Guidelines

PREPARE

- Safety is top priority when using the Maker Lab – never distract someone who is using a tool or machine.
- Only use tools after you have been properly trained on its use.
- Sign in before using any equipment.

DRESS TO PROTECT

- Do not wear loose-fitting clothing around moving or rotating machinery.
- Tie back or cover long hair.
- Wear only shoes that cover your whole foot – no sandals.
- Always wear eye protection when working with machinery.

USE TOOLS CORRECTLY

- Use tools only as they were designed to be used.
- Never use a broken tool and report any broken or malfunctioning tools/machinery immediately.
- Do not remove tools from the Maker Lab space.
- Operate machines only with all safety guards and shields in place.

CLEAN UP

- Clean up every time you leave an area, including sweeping the floor.
- Clean and return tools to their proper places.
- Keep the floor dry and free of any trip hazards.

The emergency phone number is 911.

From a library line at the Main Library, dial 3333. From a library line at any ACPL branch, dial 9-911.

Any patrons under 12 must be accompanied by a legal guardian.
